You must remit the completed application to:
Beaver County Office on Aging
1020 Eighth Avenue
Beaver Falls, PA 15010

Their office will begin mailing the vouchers on June 1st. Many of our farmers accept the vouchers. If we do, our tables will display a sign or just ask us personally. The vouchers will expire November 30th.

Many of us also accept WIC vouchers as well.

We vendors are excited to begin a new season and look forward to serving our customers again. You can buy flower & vegetable plants, home-made meals, baked goods, and of course fruits & vegetables that are ready to harvest. Remember, that in the early weeks of the market season, there are not as many fruits & vegetables ready to pick. So be patient, come back each week and see what new products will be added. You'll be amazed at how quickly the tables get full of goodies that you can buy.
